I give permission for my child to **be dismissed from the bus at their designated stop** without being released into the custody of a responsible adult. In doing so, I release Providence Public School District, First Student Providence, and all employees of both entities from all responsibility for any liability related to the leaving of the child. This release is only valid for the school year in which it was signed and will have to be renewed each year to continue to be in effect.

I give my child permission to **walk home** and they will no longer be signed out on a daily basis. By checking this box, I acknowledge that their classroom teacher will allow my child to exit the building at dismissal Monday –Friday. This will be valid unless changed in writing.

NOTE: If your child has more than three siblings, or if you wish to give permission to more than three people to pick up your child, please attach that information to this form. To ensure this information is logged correctly, please make sure any attachments include your child's name and "Student ID" number.
